THREE BRIDGES

SHIRAZ
PRESERVATIVE FREE
2022

Joining the already outstanding Calabria Three Bridges range, the Preservative Free Shiraz has all the hallmarks of the classic Three Bridges Barossa Shiraz with zero preservatives and sulphites.

Region: Barossa Valley, South Australia.

Vineyard: The grapes for Three Bridges Preservative Free Shiraz are from the family owned 'William Vineyard' in the iconic Barossa Valley.

Bouquet: Fruit of the forest aromas, with hints of plum, raspberry and licorice.

Palate: Delightful, juicy and mineral palate of fresh ripe berry fruit, full of brightness and crunch that underline the tannins, to create a vibrant Shiraz.

Suggested Cuisine: Ideal accompaniment to grilled meats with roasted vegetables, or a simple platter of hard cheeses.

Winemaking: Premium fruit is harvested and delivered for processing. During this time there is minimal intervention, before being gently plunged and fermented, then soon after undergoing malo-lactic fermentation. Following this, the wine is then bottled preservative free.

Cellaring: Enjoy now while young to experience the lusciousness of the fruit.

Wine Analysis: Alc/Vol: 14.5% | T.A: 5.71g/L | pH: 3.57 | Sugar 2.7g/L
