

SAUVIGNON BLANC

THE STONE OF LOVE
YOUR PERFECT MATCH

AROMAS

Vibrant + tropical with hints of herbaceous notes + lime.

TASTE

A dry balanced palate of lively fruit. Kiwi, limes, and lemon curd, intertwined amongst a softly textured mouthfeel... temptingly refreshing!

ENJOY

Flavoursome Malaysian noodles, Green Thai Curry or pair it back with a fresh seafood grazing board on a sunny afternoon.

IDEAL DRINKING

Enjoy now, drink while young + fresh.

WINEMAKING

The 2023 season was remarkably cooler, enabling crisper acidity, vibrant and refreshing flavours, characteristic of Sauvignon Blanc. Various parcels of fruit were blended to complement each other, ensuring the balance of fruit and palate structure was harmonious.
